SonarQube Issues Report

[MAJOR] Do not use Array index in keys (File: genebank-frontend:src/App.jsx)

[MAJOR] Do not use Array index in keys (File: genebank-frontend:src/App.jsx)

[MINOR] Remove this unused import of 'useContext'. (File: genebank-frontend:src/common/ImageUpload/

[MAJOR] Do not use Array index in keys (File: genebank-frontend:src/common/ImageUpload/FileUpload.js

[MAJOR] Do not use Array index in keys (File: genebank-frontend:src/common/NotificationAdmin/Notific

[MINOR] Remove the declaration of the unused 'isMobile' variable. (File: genebank-frontend:src/compo

[MAJOR] Remove this useless assignment to variable "isMobile". (File: genebank-frontend:src/componet

[CRITICAL] Refactor this function to reduce its Cognitive Complexity from 21 to the 15 allowed. (Fil

[MINOR] './NdiStyle.jsx' import is duplicated. (File: genebank-frontend:src/componets/Auth/Login/NDi

[MINOR] Remove the declaration of the unused 'deviceType' variable. (File: genebank-frontend:src/com

[MAJOR] Remove this useless assignment to variable "deviceType". (File: genebank-frontend:src/compon

[MINOR] Remove the declaration of the unused 'handleClose' variable. (File: genebank-frontend:src/co

[MAJOR] Remove this useless assignment to variable "handleClose". (File: genebank-frontend:src/compo

[MINOR] Use concise character class syntax '\d' instead of '[0-9]'. (File: genebank-frontend:src/com

[MINOR] Remove the declaration of the unused 'navigate' variable. (File: genebank-frontend:src/compo

[MAJOR] Remove this useless assignment to variable "navigate". (File: genebank-frontend:src/componet

[MINOR] Remove the declaration of the unused 'data' variable. (File: genebank-frontend:src/layout/Ad

[MAJOR] Remove this useless assignment to variable "data". (File: genebank-frontend:src/layout/Admin

[MAJOR] Do not use Array index in keys (File: genebank-frontend:src/layout/Admin/AnimalGeneticResour

[MINOR] Remove the declaration of the unused 'speciesType' variable. (File: genebank-frontend:src/la

[MAJOR] Remove this useless assignment to variable "speciesType". (File: genebank-frontend:src/layou

[MAJOR] Change the argument of this setter to not use its matching state variable (File: genebank-fr

[MAJOR] Do not use Array index in keys (File: genebank-frontend:src/layout/Admin/AnimalGeneticResour

[CRITICAL] This function expects no arguments, but 1 was provided. (File: genebank-frontend:src/layo

[MINOR] '@mui/material' import is duplicated. (File: genebank-frontend:src/layout/Admin/AnimalGeneti

[MINOR] Remove the declaration of the unused 'speciesType' variable. (File: genebank-frontend:src/la

[MAJOR] Remove this useless assignment to variable "speciesType". (File: genebank-frontend:src/layou

[MINOR] Remove the declaration of the unused 'statusType' variable. (File: genebank-frontend:src/lay

[MAJOR] Remove this useless assignment to variable "statusType". (File: genebank-frontend:src/layout

[MINOR] Remove the declaration of the unused 'cid' variable. (File: genebank-frontend:src/layout/Adm

[MAJOR] Remove this useless assignment to variable "cid". (File: genebank-frontend:src/layout/Admin/

[MINOR] Remove the declaration of the unused 'setCid' variable. (File: genebank-frontend:src/layout/

[MAJOR] Remove this useless assignment to variable "setCid". (File: genebank-frontend:src/layout/Adm

[MINOR] Remove the declaration of the unused 'dzongkhag' variable. (File: genebank-frontend:src/layo

[MAJOR] Remove this useless assignment to variable "dzongkhag". (File: genebank-frontend:src/layout/

[MINOR] Remove the declaration of the unused 'gewogTypeList' variable. (File: genebank-frontend:src/

[MAJOR] Remove this useless assignment to variable "gewogTypeList". (File: genebank-frontend:src/lay

[MAJOR] Remove this useless assignment to variable "village". (File: genebank-frontend:src/layout/Ad

[MINOR] Remove the declaration of the unused 'village' variable. (File: genebank-frontend:src/layout

[MINOR] Remove the declaration of the unused 'collectionTypes' variable. (File: genebank-frontend:sr

[MAJOR] Remove this useless assignment to variable "collectionTypes". (File: genebank-frontend:src/l

[MAJOR] Change the argument of this setter to not use its matching state variable (File: genebank-fr

[CRITICAL] This function expects no arguments, but 1 was provided. (File: genebank-frontend:src/layo

[MAJOR] Do not use Array index in keys (File: genebank-frontend:src/layout/Admin/AnimalGeneticResour

[MAJOR] Do not use Array index in keys (File: genebank-frontend:src/layout/Admin/AnimalGeneticResour

[MINOR] Remove the declaration of the unused 'handleSearch' variable. (File: genebank-frontend:src/l

[MAJOR] Remove this useless assignment to variable "handleSearch". (File: genebank-frontend:src/layo

[MINOR] Remove the declaration of the unused 'openDeleteConfirmation' variable. (File: genebank-fron

[MAJOR] Remove this useless assignment to variable "openDeleteConfirmation". (File: genebank-fronten

[CRITICAL] This function expects no arguments, but 1 was provided. (File: genebank-frontend:src/layo

[MINOR] Remove the declaration of the unused 'setCurrentId' variable. (File: genebank-frontend:src/l

[MAJOR] Remove this useless assignment to variable "setCurrentId". (File: genebank-frontend:src/layo

[MAJOR] Do not use Array index in keys (File: genebank-frontend:src/layout/Admin/InvterverbateData/A

[CRITICAL] This function expects no arguments, but 1 was provided. (File: genebank-frontend:src/layo

[MINOR] Remove the declaration of the unused 'village' variable. (File: genebank-frontend:src/layout

[MAJOR] Remove this useless assignment to variable "village". (File: genebank-frontend:src/layout/Ad

[MINOR] Remove the declaration of the unused 'cultivate' variable. (File: genebank-frontend:src/layo

[MAJOR] Remove this useless assignment to variable "cultivate". (File: genebank-frontend:src/layout/

[MINOR] Remove the declaration of the unused 'endangered' variable. (File: genebank-frontend:src/lay

[MAJOR] Remove this useless assignment to variable "endangered". (File: genebank-frontend:src/layout

[MINOR] Remove the declaration of the unused 'status' variable. (File: genebank-frontend:src/layout/

[MAJOR] Remove this useless assignment to variable "status". (File: genebank-frontend:src/layout/Adm

[CRITICAL] Refactor this function to reduce its Cognitive Complexity from 17 to the 15 allowed. (Fil

[MAJOR] Change the argument of this setter to not use its matching state variable (File: genebank-fr

[MINOR] Remove the declaration of the unused 'role' variable. (File: genebank-frontend:src/layout/Ad

[MAJOR] Remove this useless assignment to variable "role". (File: genebank-frontend:src/layout/Admin

[MINOR] Remove the declaration of the unused 'isSmallScreen' variable. (File: genebank-frontend:src/

[MAJOR] Remove this useless assignment to variable "isSmallScreen". (File: genebank-frontend:src/lay

[MINOR] Remove the declaration of the unused 'handleSearch' variable. (File: genebank-frontend:src/l

[MAJOR] Remove this useless assignment to variable "handleSearch". (File: genebank-frontend:src/layo

[MAJOR] Do not use Array index in keys (File: genebank-frontend:src/layout/Admin/InvterverbateData/G

[CRITICAL] This function expects no arguments, but 1 was provided. (File: genebank-frontend:src/layo

[MAJOR] Do not use Array index in keys (File: genebank-frontend:src/layout/Admin/InvterverbateData/G

[MAJOR] Do not use Array index in keys (File: genebank-frontend:src/layout/Admin/InvterverbateData/G

[MINOR] Remove this unused import of 'useContext'. (File: genebank-frontend:src/layout/Admin/MasterD

[CRITICAL] This function expects no arguments, but 1 was provided. (File: genebank-frontend:src/layo

[CRITICAL] This function expects no arguments, but 1 was provided. (File: genebank-frontend:src/layo

[CRITICAL] This function expects no arguments, but 1 was provided. (File: genebank-frontend:src/layo

[MINOR] Remove this unused import of 'FormControl'. (File: genebank-frontend:src/layout/Admin/Master

[MINOR] Remove this unused import of 'FormLabel'. (File: genebank-frontend:src/layout/Admin/MasterDa

[MINOR] Remove this unused import of 'RadioGroup'. (File: genebank-frontend:src/layout/Admin/MasterD

[MINOR] Remove this unused import of 'FormControlLabel'. (File: genebank-frontend:src/layout/Admin/M

[MINOR] Remove this unused import of 'Radio'. (File: genebank-frontend:src/layout/Admin/MasterData/A

[MAJOR] Missing "key" prop for element in iterator (File: genebank-frontend:src/layout/Admin/MasterD

[CRITICAL] This function expects no arguments, but 1 was provided. (File: genebank-frontend:src/layo

[CRITICAL] This function expects no arguments, but 1 was provided. (File: genebank-frontend:src/layo

[MINOR] Remove this unused import of 'EditIcon'. (File: genebank-frontend:src/layout/Admin/MasterDat

[MINOR] Remove this unused import of 'Field'. (File: genebank-frontend:src/layout/Admin/MasterData/D

[MINOR] Remove this unused import of 'Button'. (File: genebank-frontend:src/layout/Admin/MasterData/

[MINOR] Remove the declaration of the unused 'dispatch' variable. (File: genebank-frontend:src/layou

[MAJOR] Remove this useless assignment to variable "dispatch". (File: genebank-frontend:src/layout/A

[MINOR] Remove this unused import of 'Autocomplete'. (File: genebank-frontend:src/layout/Admin/Maste

[CRITICAL] This function expects no arguments, but 1 was provided. (File: genebank-frontend:src/layo

[MINOR] Remove this unused import of 'getOrderAction'. (File: genebank-frontend:src/layout/Admin/Mas

[CRITICAL] This function expects no arguments, but 1 was provided. (File: genebank-frontend:src/layo

[CRITICAL] This function expects no arguments, but 1 was provided. (File: genebank-frontend:src/layo

[CRITICAL] This function expects no arguments, but 1 was provided. (File: genebank-frontend:src/layo

[MINOR] Remove the declaration of the unused 'selectedPhylum' variable. (File: genebank-frontend:src

[MAJOR] Remove this useless assignment to variable "selectedPhylum". (File: genebank-frontend:src/la

[MINOR] Remove the declaration of the unused 'handleEdit' variable. (File: genebank-frontend:src/lay
